Silks.....Flowers
Jane S/Barb P.....Snacks

Announcements:

This year, on the Monday after Easter, we are coordinating with Bethesda Hospital East to brighten the day of some of the patients with those flowers! If you would like to help deliver the flowers please meet at the church at 11am, Easter Monday, to load up and head over to the hospital.

Mental Health First Aid

teaches a 5-step action plan to offer initial help to people

with the signs and symptoms of a mental illness or in a crisis, and connect them with the appropriate professional, peer, social, or self-help care. We are looking at scheduling a class this summer. Please sign up in the Boker Room.

Election Polling

On Tuesday the 10th our church will be in use for the local general special election. So after church on Sunday the 8th it would be great to have a few hands to take down the tables and chairs and prepare the room. AND a few hands to set them back up on the Wednesday after. Thanks!

A Word for the Week:

The suffering on the cross was the final trial the Lord underwent. It was a means of glorifying His human nature, that is, of uniting it with His Father's divine nature. The union itself between the Lord's divine nature and His human nature was completed by the suffering on the cross,

because this suffering was the final spiritual test (temptation) that the Lord went through in the world. Spiritual tests lead to a partnership with God. During our spiritual tests, we are apparently left completely alone, although in fact we are not alone – at those times God is most intimately present at our deepest level giving us support. Because of that inner presence, when any of us have success in a spiritual test we form a partnership with God at the deepest level. In the Lord's case, He was then united to God, His Father, at the deepest level.

(True Christianity 126)

Have a blessed week!
