Announcements:

◆**The Next Bishop**

The clergy of the General Church has been asked to provide avenues for communication regarding the needs of the church especially pertaining to the uses of the Episcopal office. So, on **Sunday the 3rd of September** after church we will hold an open discussion about the character and qualities we hope to see in our next Executive Bishop after Rt. Rev. Keith steps down. In this conversation it is asked that we keep our thoughts focused more on use than on person.

◆**Holy Supper**

This note is just to remind you that our next quarterly Holy Supper will be held on the Sunday the 10th of

September. As a side note, if anyone ever desires to take Holy Supper you are always welcome to request a private service either at the church or in your home.

Future Sermon Topics

August 27th “Getting to know the Lord our Creator” ~ What is it about the Lord that made Him create us? Our understanding of this question gives us great insight into the purpose of our lives.

Sept. 3rd ”Getting to Know the Lord our Savior and Redeemer” ~ How do we in the New Church understand Salvation and Redemption? How Does Jesus play into all of this?

A Word for the Week

“If man were born into the love into which he was created he would not be in any evil, nor indeed would he know what evil is; for one who has not been in evil, and consequently is not in evil, cannot know what evil is. If he were told that a particular thing is evil he would not believe it possible. This is the state of innocence in which were Adam and Eve his wife; and the nakedness of which

they were not ashamed signified that state. A rational conception of evil after the Fall is meant by eating of the tree of the knowledge of good and evil. The love into which man was created is the love of the neighbor, so that he desires his neighbor's welfare as much as his own, even more than his own, and enjoys the delight which springs from that love while he acts kindly to him, much the same as a parent feels in acting kindly to his children. This love is truly human, for there is in it something spiritual that distinguishes it from the natural love which belongs to brute animals.”

(Divine Providence 275)

Have a blessed week!
