Announcements:

“Practicing Forgiveness”

A Journey Program.

In conjunction with the

sermon series on

forgiveness that began on

Feb. 11th, small groups will

begin meeting this week to

offer support and a safe

place to focus attention on

learning how to release

resentments and achieve

acceptance, forgiveness,

and love. **Participation in**

this program is highly

encouraged. The program

runs for just 6 weeks and is

full of great material to help

you grow in your spiritual life

and relationships with

others.

Please sign-up on the sheet that is hanging on the bulletin board in the Boker Room or talk to the pastor.

Please Subscribe to Our YouTube Channel! We would like our URL for YouTube to look something like this: www.youtube.com/c/newchurchboynntonbeach but can't do that until we have 100 subscribers. We're almost there with 58 current subscribers! If you would like to help us achieve our goal, please go to:

Once there, click on the red "subscribe" button. That's all!

Thank you for your support!

**Saturday, March 10th
2018 Hunger Walk & 5K
Charity Run**

Here is a great opportunity for us to "show up" for our community! Walkers, runners, even scooters, can gather sponsors and earn money for the Community Caring Center. We will also have a booth where we will be distributing pamphlets about the church, conversing

with neighbors, and painting faces. Volunteers needed for all areas. We are also planning to get NCBB T-shirts made up to help advertise our church to our community!

A Word for the Week:

"God's life is present in all its fullness not only in people who are good and religious but also in people who are evil and ungodly. That life is the same in angels of heaven as it is in spirits of hell. The difference is that evil people block the road and shut the door to prevent God from coming down into the lower areas of their mind. Good people, on the other hand, smooth the road and open the door. They invite God to enter the lower areas of their mind since he already inhabits the highest areas of it. They change the state of their will so that love and goodwill may flow in, and change the state of their intellect so that wisdom and faith may flow in - they open themselves to God."

(True Christianity 366.2)

Have a blessed week!
