Clergy Meeting

Report Several people have asked me if I'd be willing to give a report on the clergy meetings. I would be happy to do that. If you are interested in such a report, please email me with your preference of day or evening time for Wednesday the 18th of July. ~ Alan

A Word for the Week: CONCERNING THE STATE OF YOUNG CHILDREN IN THE NEXT LIFE:

I have been given to know for certain that all young children in any part of the world who die are raised up by the Lord and taken to heaven, where they are brought up and trained among angels who look

after them, and where they grow to maturity as they advance in intelligence and wisdom. From this it becomes clear how vast the Lord's heaven is from young children alone; for all of them are taught about the truths of faith and the goods that stem from mutual love and become angels. (Arcana Coelestia 2289)

*As soon as children are reawakened (which happens immediately after their death), they are taken to heaven and given to female angels who had loved children tenderly during their physical lives and had loved God as well. Since in this world they had loved all children with a kind of maternal tenderness, they accept these new ones as their own, and the children love them as their mothers as though this were inborn in them.
(Heaven and Hell 332)*

Have a blessed week!
