Announcements:

Janet Farrell (Daughter of Forrest and Peggy Dristy) passed peacefully into the spiritual world on Tuesday, March 20th, with her loving husband, Mark, by her side. Janet was 58 years old. Join us in keeping her entire family in our thoughts and prayers. A memorial service will be held on Saturday, March 24th at 10:00 AM at St. Mary's Church

Southbridge, MA. George McCurdy officiating. Also, we hope to have a video recording of the service to share with those who were unable to attend.

Easter Flowers - We have a tradition of a flower procession in church on Easter morning to represent the hope and renewal that the Lord brought to the world with His resurrection. This year on the Monday after Easter we are coordinating with Bethesda Hospital East to brighten the day of some of the patients there with those flowers! If you would like to help deliver the flowers please meet at the church at 11am Easter Monday to load up and head over to the hospital.

MENTAL HEALTH FIRST AID COURSE

Mental Health First Aid teaches a 5-step action plan to offer initial help to people with the signs and symptoms of a mental illness or in a crisis, and connect them with the appropriate professional, peer, social, or self-help care. We are looking at scheduling a class 2-3

months from now and need to see how many people are interested. Please sign up in the Boker Room.

A Word for the Week:

“After being comforted with the hope of help, those in the next life who have experienced vastation or desolation are raised up by the Lord into heaven, thus from a state of shade, which is a state of ignorance, into a state of light, which is a state of enlightenment and of resulting renewal, and so into joy which stirs their inmost feelings. It is indeed light into which they enter, of such a nature that it enables them to see not only with their eyes but also at the same time with their understanding. How much this light renews them may become clear from the contrary state from which they have been released.”
(Arcana Caelestia 2699)
Have a blessed week!
