**OUTREACH** – There are two possible outreach efforts being discussed, and we'd like to widen the conversation to include you!

1) **"Finding Hope"** – This group is looking at ways that we can spiritually and naturally support people dealing with the issues "we don't like to talk about", i.e.... Domestic Violence, Drug Abuse, Mental Illness, and Suicide.

2) **Community Garden** – This group is exploring ways that we can use our grounds for fellowship through gardening and enjoying the nature right here in our backyard.

For more information please speak to the pastor or Amy Martz.

## **Happy Veterans Day!**

To those who have served in the military, may we offer our love, support, and appreciation. Thank you for your willingness to serve and protect!

"If a soldier looks to the Lord, and shuns evils as sins, and does his work sincerely, justly, and faithfully, he becomes charity... he is averse to unjust depredation; he abominates the wrongful effusion of blood....and then, if he dies, he dies in the Lord; if he lives, he lives in the Lord." CL 166.

**Have a blessed week!**
