OUTREACH – There are two possible outreach efforts being discussed, and we'd like to widen the conversation to include you!

1) **“Finding Hope” – Open meeting Sat., Dec. 9th at 3:00pm.** This group is looking at ways that we can spiritually and naturally support people dealing with the issues “we don't like to talk about”, i.e.... Domestic Violence, Drug Abuse, Mental Illness, and Suicide.

2) **Community Garden** – This group is exploring ways that we can use our grounds for fellowship through gardening and enjoying the nature right here in our backyard. For more information please speak to the pastor or Amy Martz.

Future Sermon Topics:

Dec. 3rd - “Joseph's Dream: Trusting the Lord over our 'Better' Judgement.” - When all of our experience in life leads us to believe a certain way, we should still put the Lord's advice over our own intelligence. “Do not be afraid to take to you Mary your wife, for that which is conceived in her is of the Holy Spirit.”

Dec. 10th - “The Miraculous Conception: Why the Virgin Birth is essential in Your Life.” - We are not the source of our salvation, but we must cooperate.

A Word for the Week

“And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.”

(Genesis 1:16)

“Our inner self is called our spiritual self because it is in the light of heaven, a light that is spiritual. Our outer self is called our earthly self because it is in the light of the world, a light that is earthly. People whose inner level is in the light of heaven and whose outer level is in the light of the world are spiritual on both levels, since spiritual light from within enlightens their earthly light and makes it its own. The reverse is true for evil people.”

(True Christian Religion 401)

Have a blessed week!
