Announcements:

FOOD DONATIONS for the Community Caring Center of Boynton Beach. Please donate non-perishable food and appropriate paper items for the month of Nov. Our Church has done this since at least 2003. Place the items in the boxes provided in the Boker Room. We will deliver the donations just before Thanksgiving. Thank you all for your generosity.

Refreshments - Women's Guild has decided to officially suggest volunteers who provide After-Church Refreshments should just bring cookies and juice and make coffee. Perhaps this will encourage more people to volunteer for refreshments? (Hint... Hint)

NC Voice & Calendars - If you would like the calendar mailed to you, please speak to or email Amy Martz at ncvoicefl@newchurchboyntonbeach.org.

Study Groups - We are currently forming two different study groups. Please either sign-up in the Boker room or let the pastor know of your interest.

- ***True Christianity Reading Group*** - For more information or to order a book, speak with the pastor or visit: <https://swedenborg.com/product/true-christianity-1-nce/>

- ***New Church Foundations***
This 7-week program will begin on Thursday, Nov. 16 at 7pm in the Boker Room. For more information or to order a book, speak with the pastor or visit: <http://journey.newchurch.org/programs/foundations/>

Outreach - There are two possible outreach efforts being discussed, and we'd like to widen the conversation to include you!
1) "Finding Hope" - This group is looking at ways that we can spiritually and

naturally support people dealing with the issues "we don't like to talk about", i.e.. Domestic Violence, Suicide, Mental Illness etc.

2) Community Garden - This group is exploring ways that we can use our grounds for fellowship through gardening and enjoying the nature right here in our back yard. For more information speak to the Pastor or Amy M.

Future Sermon Topics

Nov. 5th: "A day in the life of an Angel" - What would a normal day in heaven be like? I promise this will be more uplifting than the previous week!

A Word for the Week

Divine providence never acts in harmony with a person's own love, but continually in opposition to it. For in consequence of his hereditary evil a person forever goes panting toward the lowest hell, whereas the Lord by His providence is constantly diverting him and drawing him back from there, first to a milder hell, then out of hell, and finally to Himself in heaven.
(Divine Providence 183)
Have a blessed week!
