### **Future Sermon Topics**

**Oct. 8th** - “Attitude Problems” In this series we will examine some of the common attitude problems which plague our happiness.

**Part 1** - Frustration - What frustrates you the most? Are there ways that we can mitigate the annoyance? Does God use frustrations as a means to help us grow? How do our frustrations effect other people?  
**Oct. 15th** - “Attitude Problems” **Part 2** - Entitlement - What do you really deserve and why? Are you ever entitled to something that another must give to you for you to have it? What is the effect of this mentality on society today.

### **A Word for the Week**

*“Spiritual fear is a holy fear that abides within every spiritual love variously according to the quality and quantity of the love. In such a fear is the spiritual man, and he knows that the Lord does not do evil to anyone, much less does He destroy anyone as to body and soul in Gehenna, but that He does good to all and desires to raise up everyone as to body and soul into heaven to Himself. This is why the fear of the spiritual man is a holy fear lest by the evil of life and the falsity of doctrine man should turn away, and thus do harm to that Divine love in himself.”*

(Apocalypse Explained 696.23)

***Have a blessed week!***
