Announcements:

◆**Hurricane Relief** - Living in Florida we know the kind of damage and displacement a storm like Harvey can do. But it is hard to know how we might be able to support the recovery efforts in SE Texas. Thankfully, Rev. Mac Frazier asked his friends who live in the Huston area about what organizations are really doing good work on the ground. So if you are interested in helping, and want to know that your help is actually effective, here are a couple suggestions.

1) **Alliance of Community Assistance Ministries:**

www.acamweb.org ~ ACAM is a Huston based interfaith non-profit who's efforts are focused on providing basic assistance in the form of food, clothing, rental/utility assistance, transportation

vouchers, counseling and more essential services.

2)Church World Services:

<http://cwskits.org> ~ If you prefer to be more hands on, CWS gives people the opportunity to put together special kits for hygiene, school, and clean up efforts. Do one on your own, or get a group of friends together to pack several kits!

◆**Pastor's Council**

Our first meeting will be on the **10th of September** after church. Thanks!

Future Sermon Topics

Sept. 10th "Getting to know the Lord our Regenerator" ~ It is an act of the Holy Spirit that people are regenerated and become angels. Where can we see the Lord as the Holy Spirit acting upon our lives? **Holy Supper** will be held at the end of this worship service.

Sept. 17th "The Church: Who's is It?" *The Rev. Dan Heinrichs will be guest preaching on the subject of who possesses the church.*

A Word for the Week

"To redeem means to free the captive and the bound

from damnation, to rescue them from everlasting death, to snatch them from hell, and to carry them away from the hand of the Devil. The Lord did this by gaining control over the hells and establishing a new heaven. Otherwise we could not have been saved, because the spiritual world is so closely connected to the earthly world that they are inseparable. The main connection between the two worlds is through our inner levels - our souls and our minds. For good people, that connection is with the souls and minds of angels; for evil people it is with the souls and minds of hellish spirits. We are so united to the angels or the hellish spirits that if they were taken away from us we would fall down as dead as a piece of wood. This makes it clear why redemption was brought about in the spiritual world and why heaven and hell had to be restructured before a church could be established on earth."
