Announcements:

Bible Study: Our Bible Study group is beginning a new series. We will be jumping back and forth between the Book of Daniel and Revelation. Want to learn how to decipher these prophetic visions? Join us Mondays at 11:30am

Ride Share: There are several people that we know who are not able to

transport themselves anymore. And we would like to create a system whereby these people can get rides to church related functions. The plan is to have a pool of willing drivers whom we can call upon when a request is made. If you are willing to be a driver please let the pastor know. Thanks!

A Word for the Week:

As all higher things place themselves in what is lowest in simultaneous order, it follows that in the ultimates of the Word, which constitute the sense of its letter, are all things of the Divine truth and of the Divine good, even from their firsts. And as all things of the Divine truth and the Divine good are together in their ultimate, which is the sense of the letter of the Word, there evidently is the power of Divine truth, yea, the omnipotence of the Lord in saving humankind . . . This is why the Lord is called in the Word the First and the

*Last; and this is why the Lord assumed the Human which in the world was the Divine truth or the Word, and glorified it even to the ultimates, which are the bones and the flesh, in order that He might operate from first things through ultimates, and not as before from people, but from Himself. This power in ultimates was represented by the hair with the Nazirites as with Samson, for the hair corresponds to the ultimates of Divine truth. . . . The power of the Word in the sense of the letter is the power to open heaven whereby communication and conjunction are effected, and also the power to fight against falsities and evils, thus against the hells. **A person who is in genuine truths from the sense of the letter of the Word can disperse and scatter the whole diabolical crew and their devices in which they place their power, which are innumerable, and this in a moment, merely by a look and by an effort of the will. In brief, in the spiritual world nothing can resist genuine truths confirmed by the sense of the letter of the Word.** (Arcana Caelestia 1086)
Have a blessed week!*
