Announcements:

◆**Pastor’s Council** - Thank you to all of those who have responded to my request to be a part of the Pastor’s Council. I’m still waiting to hear from a couple people so I’ll wait till it is all figured out before I announce who all of the members are. Our first meeting will be on the **10th of September** after church. Thanks!

◆**The Next Bishop**

The clergy of the General Church has been asked to provide avenues for communication regarding the needs of the church especially pertaining to the uses of the Episcopal office. So, on **Sunday the 3rd of September** after church we

will hold an open discussion about the character and qualities we hope to see in our next Executive Bishop after Rt. Rev. Keith steps down. In this conversation it is asked that we keep our thoughts focused more on use than on person.

◆Holy Supper

This note is just to remind you that our next quarterly Holy Supper will be held on the Sunday the 10th of September. As a side note, if anyone ever desires to take Holy Supper you are always welcome to request a private service either at the church or in your home.

Future Sermon Topics

Sept. 3rd "Getting to Know the Lord our Savior and Redeemer" ~ How do we in the New Church understand Salvation and Redemption? How Does Jesus play into all of this?

August 27th "Getting to know the Lord our Regenerator" ~ It is an act of the Holy Spirit that people are regenerated and become angels. Where can we see the Lord as the Holy Spirit acting upon our lives?

A Word for the Week

"The recognition that God exists and that there is one God flows universally from God into human souls. There is an inflow from God into us. This is obvious from everyone's ready admission that everything good that is truly good and that exists in us and is done by us is from God.... This inflow comes into our souls because the soul is the inmost and highest part of us. The inflow from God reaches that part first and then comes down into the things below and enlivens them, depending on our openness to what flows in. Of course, truths that will become part of our faith do indeed flow in through our hearing and are implanted in our mind, which is below the soul; but all these truths do is prepare us to accept what flows in from God through our soul. The quality of that preparation determines the quality of our acceptance and of the transformation of our earthly faith into spiritual faith."
