Announcements:

◆**Ushers** - It would be wonderful if there were a couple more people willing to work into the usher rotation. This volunteer position IS open to both men and women.

◆**Memorial Service for Mark Jungé.** A good friend to many in our society, especially to those of us from the Chicago area, has passed into the spiritual world after nearly 20 months after his terminal cancer diagnosis. Mark was an excellent New Churchman and was especially impactful with the youth in his neighborhood. He was a hero to many.

The service will be held at the Glenview New Church, this Sunday afternoon at

1pm Central, 2pm EST and will be live-streamed via YouTube. http://www.YouTube.com/channel/UC2RbVX_G_8GOZ4ljsY3nTlw

◆**Movie Nights?** This fall I am hoping to start hosting a monthly movie night at the church! We will use the projector and set up with popcorn and ice-cream Sundays in the Boker room! Do you have any suggestions for movies to watch? I'd like them to have a good moral theme, and perhaps be able to generate some discussion. The first two on my list are "What Dreams May Come" and "The Gospel of John".

Future Sermon Topics **Summer Sermon Series – "Good Spiritual Practices"**

For the next seven weeks we are going to reexamine some of the most important spiritual practices. We will in one way be "getting back to the basics" but we will also look into some less considered parts of these practices. Here is the general outline!

Part I - Piety

July 9th - 1: Read the Word

July 16th - 2: Pray to the Lord

July 23rd - 3: Worship the Lord

Part II - Charity

July 30th - 4: Examine Yourself and Repent

August 6th - 5: Shun Evil Tendencies in Yourself

August 13th - 6: Lovingly Serve the Good in Others

Part III - The Lord's Part

August 20th - 7: Consent to Being Regenerated

A Word for the Week

"As soon as a person through self-examination acknowledges evils to be sins against God, because they are contrary to Divine laws, and resolves therefore to desist from them, the Lord then opens his spiritual mind and enters into his natural mind through affections for truth and good. He also enters into the person's rationality and from it disposes into order everything in the natural mind which are contrary to order. This (re-ordering) is what appears to a person as combat, as temptation or trial. For a person experiences grief of heart when the pattern of his thoughts is being turned around."

(Divine Providence 147)

Have a blessed week!
