### ◆ **Audio/Video Training**

On Saturday June 3<sup>rd</sup> @ 2pm. Come learn how to operate our new Audio/Video system, and help out with the A/V team on Sundays!

### **Future Sermon Topics**

#### **Sun. the 21<sup>st</sup>**

“Stages of Faith – Part 2 - Transition to David”. When confronted with real spiritual battles our faith must come from a different place than our intellect. It must come from love. When we realize this, the Saul in us begins to fear the David in us.

#### **Sun. the 21<sup>st</sup>**

“Stages of Faith – Part 3 - King David: A Deeper Faith through Deeper Struggle”. One of the most important things that David did during his reign was to bring the Ark of the Covenant back into the Tabernacle in Jerusalem. In us this represents the permission we give the Lord to search our thoughts in the light of His commandments.

### **A Word for the Week**

*By faith at the present day is understood nothing more than the mental presumption that something is true because it is taught by the Church, and because it is not evident to the understanding. For it is said: ‘Believe, and do not doubt.’ If you answer, ‘I do not comprehend it’, you are told ‘that this is the reason why it must be believed.’ **The faith of the present day, therefore, is a faith in what is not known, and may be called a blind faith;** and as it is the dictate of one person passed on to another, it is a traditional faith. **Real faith is nothing else than an acknowledgment that the thing is so because it is true;** for one who is in real faith thinks and says, ‘This is true, and therefore I believe it.’ For faith is of truth, and truth is of faith. If such a person does not see the truth of a thing, he says, ‘I do not know whether this is true, and therefore as yet I do not believe it. How can I believe what I do not intellectually comprehend? Perhaps it is false.’ [True] faith is an internal acknowledgment of truth" (Doctrine of Faith 1).*

**Have a blessed week!**
