## **"Practicing Forgiveness"**

**A Journey Program.** On Sunday Feb. 11th we will begin a sermon series and small groups to practice the all-important topic of

forgiveness. Please sign up in the Boker Room if you would like to be a part of a small group. We hope to have groups on several different days of the week, and in a few strategic geographical locations around our area. We are also looking for people who are willing to host, and for people who are willing to facilitate the small groups. Please talk to the pastor if you are interested in either.

### **Future Sermon Topics:**

#### **Feb. 3rd - "Modern Idolatry"**

We may not have any natural "carved images" we would call idols, but there is a lot more to this commandment. Are you breaking it?

#### **A Word for the Week:**

***"Were there no graves in Egypt, [since] you have taken us away to die in the wilderness?"*** These words, it is self-evident, are

*words of despair. They are also the kind that are thought by people in a state of despair, which is the final phase of a temptation. At that time they are on a slope so to speak or slipping down to hell. Yet thinking in that way at such times does no harm, and the angels take no notice of it; for each person's power is limited, and when temptation stretches him to the absolute limit of his power he cannot stand up to anything further and starts to slip. At that point however, that is, when he is on the slope and starts to slip, he is raised by the Lord and thereby delivered from despair. More often than not he is then brought into a bright state of hope and the comfort this brings, and also into a state of bliss.*

**Have a blessed week!**
