**A Word for the Week:**

*Repentance of the mouth and not of the life is not repentance. Sins are not forgiven through repentance of the mouth, but through repentance of the life. Sins are continually being forgiven man by the Lord, for He is mercy itself; but sins adhere to the man, however much he may suppose that they have been forgiven, nor are they removed from him except through a life according to the commands of faith. So far as he lives according to these commands, so far his sins are removed; and so far as they are removed, so far they have been forgiven. For by the Lord man is withheld from evil, and is held in good; and he is so far able to be withheld from evil in the other life, as in the life of the body he has resisted evil; and he is so far able to be held in good then, as in the life of the body he has done what is good from affection. (Arcana Caelestia 8393)*

**Have a blessed week!**
