Announcements:
**MENTAL HEALTH FIRST
AID COURSE**

Did you know you are more likely to encounter someone (friend, family member, coworker, neighbor, or member of the community) in an emotional or mental crisis than someone having a heart attack. **Mental Health First Aid** teaches a 5-step action plan to offer initial help to people with the signs and symptoms of a mental illness or in a crisis, and connect them with the appropriate professional, peer, social, or self-help care. We are looking at scheduling a class 2-3

month from now and need to know approximately how many people are interested. Please sign up in the Boker Room.

FOOD DRIVE MONTH

Please bring perishable and/or nonperishable food and appropriate paper items and place them in the containers in the Boker Room. Perishable items will be delivered weekly to CCC. Thank you!

Finding Hope is beginning a book study of *The Natural Depth in Man* by Wilson Van Dusen. If you would like a book, please sign up in the Boker Room or ask Amy.
