## Announcements:

**Annual Meeting:** Our NCBB and NCBB Properties meeting is just two weeks away (May 20<sup>th</sup>). We would really love your presence and input as we affirm new board members, discuss the annual budget, and work to solidify our plans to renovate the old manse for church and community purposes.

**Pastor's Council:** We will likely have two openings for pastor's council soon, and I would like your input as to who you would like to represent the views of people in the society regarding church matters. Please speak to the pastor if you have any suggestions. Thanks!

**A Word for the Week:**

*Regarding a person's affections for truth and good, genuine affections for truth and good which are perceived by a person all have a Divine origin since they come from the Lord. But as they come down they branch off into various and different streams where they form new origins for themselves. For as they flow into affections which are not genuine but spurious, and into affections for evil and falsity present with a person, so they become varied. Affections which often have a similar outward appearance to genuine ones present*

*themselves, but these are nevertheless not genuine inwardly. The only way to establish their true identity is to discover the end they have in view. If that end is selfish or worldly those affections are not genuine. But if the end is the good of the neighbour, the good of the community, the good of the country, and more still if it is the good of the Church and the good of the Lord's kingdom, they are genuine, for in that case the Lord is their end, since the Lord is within those varieties of good. But it is the mark of someone wise to be aware of which ends are present in himself.... And if anyone wishes to know the ends he himself has in view he has merely to take note of his feeling of delight - whether it is on account of his receiving praise and glory, or whether it is on account of his performing some unselfish service. If it is the latter delight which he feels, genuine affection is present in him.*

**Have a blessed week!**
