Announcements:

◆ **Pastor Alan in England** - I'll be in England on Holliday

until Thursday the 21st, however I will be checking my email a few times a day in case you need to be in contact for any reason.

◆ **Irma Relief on**

NewChurch.org - Some say "we dodged a bullet" when it comes to the harm hurricane Irma caused. And in general we came through very well.

However, there are a handful of church members and friends who did suffer some significant damage to their homes. Thankfully the General Church has set up a relief fund to help those in need to get back on their feet. If you would like to contribute to this fund to help, it will be greatly appreciated. You can contribute either through this link:

<https://newchurch.org/home-engage/hurricane-irma->

[relief/](#), or you can send a check with the note “Irma Relief”. Our own board of trustees will work to determine how this money will be distributed in the most effective ways. Thank you!

◆**Pastor’s Council**

As our first meeting was thwarted by the timing of Irma we will now schedule the meeting for Sunday the **8th of October**. Please make a note of this in your calendars.

Future Sermon Topics

Sept. 24th “Getting to know the Lord our Regenerator” ~ It is an act of the Holy Spirit that people are regenerated and become angels. Where can we see the Lord as the Holy Spirit acting upon our lives? **Holy Supper** will be held at the end of this worship service.

Oct. 1st - “The Mission of ‘The Church’ and Our Church” - What are the main purposes of the Lord’s “New Church”? How can we enact that mission in our particular corner of Florida? What can we do this year to live that mission?

A Word for the Week

“Divine peace is within the Lord, arising from the oneness of his divine nature and the divine human nature within him. The divine quality of peace in heaven comes from the Lord, arising from his union with heaven's angels, and specifically from the union of the good and the true within each angel. These are the sources of peace. We may therefore conclude that peace in the heavens is the divine nature intimately affecting everything good there with blessedness. So it is the source of all the joy of heaven. In its essence, it is the divine joy of the Lord's divine love, arising from his union with heaven and with every individual there. This joy, perceived by the Lord in the angels and by the angels from the Lord, is peace. It flows down from there to provide angels with everything that is blessed and delightful and happy-what is called "heavenly joy.””

Have a blessed week!
